

Rejoicing in Life and Sexuality

During the Coronavirus Pandemic, High School student suicide cases have increased dramatically. Unplanned teen pregnancies have also increased. Within this age of sexual diversity and cohabitation, understanding “Life and Sex” as founded on the eternal truth as shown in the Bible is very important. This understanding is not to bind us in legalism, but to let us rejoice. It is there to establish our identity, and to let us respect others. Educational sessions have been prepared for groups from children through adults. Sessions for married couples are also available. All sessions will be taught by “Life and Sex Support Mission” Instructors from the Japan Alliance Christ Church. Please join a session that meets your needs and situation.
